John,

Ambassador Nealon didn't really push back. The DFM made it sound like Iraq was making progress.

We'll stand down on a meeting with the Iraqi Embassy. If at some point you need DAS King or Ambassador Nealon to engage with Iraq, just let us know.

Hi Alex-

Those bullet points are troubling. Did Ambassador Nealon push back on any of the items?

I just met with the Ambassador 3 weeks ago and I am not sure meeting with him again will change anything as he gets his direction from Baghdad.

**Subject:** Iraq DFM meeting

John,

Ambassador Nealon met with the Iraqi Deputy Foreign Minister (DFM) yesterday. The topic of repatriations came up. Here's a read-out:

- The DFM said that 1,400 Iraqis are subject to removal in the United States.
- He said that the Iraqi Embassy is prepared to issue visas, but needs to issue in small groups.
- Said that the Embassy needs to verify that they're actually Iraqi.
- For criminals that have finished their sentences, needs to see some sort of proof.
- He said that the Iraqi Government wants to prioritize repatriations of non-immigration related criminals.
- He said that it would be difficult for the Iraqi Government to accept individuals whose asylum claims have failed, again wants to prioritize criminals.
- The Iraqi Ambassador suggested a meeting at the Embassy for additional discussions.

Would it be helpful to ERO to meet with the Iraqi Embassy on this topic?

Alex
